## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

### *Fire Permit*

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a. m. and after 5:00 p.m.*

### *Exceptions*

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### *Penalties*

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in [1] above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

## ON THE COVER

*"Fifty years ago, Dublin men cut considerable ice."*

"Cutting Ice on Dublin Lake" was taken about the year 1900 by Henry D. Allison.

In 1952 Mr. Allison wrote of this picture: "Dublin men cut considerable ice fifty years ago. Charles W. Fiske pulls out, Willard H. Pierce rests momentarily, Clifford Gowing saws, while Dr. Henry H. Smith looks on."

Of the outer garment worn by Dr. Smith in the picture, Mr. Allison said:—"The doctor was given a gray bathrobe, trimmed with blue, by a friendly summer resident. But instead of wearing the garment at home, he used it as a topcoat and could occasionally be seen climbing the village hill, wearing the gray coat and carrying one of his many self-made canes."

During the Civil War Dr. Smith served aboard the naval vessel "Freeborn" on the Potomac River, as Acting Assistant Surgeon, U.S.N. He later practiced medicine in Dublin and was considered an excellent physician.

### C I T A T I O N

Glen H. Scribner

Too often the services of those in local government are taken for granted; too often the extra effort and special interest which distinguish the job well done from the job simply done are not recognized, too often a word of thanks is forgotten until the proper moment has passed; too often no other opportunity arrives, and we regret it.

This is the proper moment to extend to Glen Scribner the thanks of the Town for his work as Treasurer, Town Clerk and Superintendent of the Cemetery. Treasurer since 1946, Town Clerk since 1958, and Superintendent of the Cemetery since 1963, he has been loyal hard-working, efficient and helpful over the years.

Meticulous in carrying out his responsibilities, conscientious and skillful in performing the duties of his office, he has nevertheless gone out of his way in offering extra services for many, has served each member of the Town with understanding, and has handled with friendliness the varied requests of us all.

We shall all miss him at the Town Hall, and we wish him well.

## *REPORT OF POLICE DEPARTMENT*

From December 1, 1969 to January 1, 1970

Chief of Police, Robert N. McLean	Tel. 563-3711
Officer, Dennis M. Bois	Tel. 563-4681
Officer, Donald Rajaniemi	Tel. 563-3524

Should an emergency arise you are asked to call 352-1100, the Southwestern New Hampshire Mutual Aid System. In turn assistance will be notified to respond.

Having assumed the responsibility and duties of the Chief of Police of Dublin on December 1, 1969, I intend to protect life and property of all and to be fair and just to all and hope that I will have the continued support of the responsible people of Dublin.

We would like to thank our Past Chiefs, Mr. Arnold Pinney and Mr. John Johnson, for their work in the past year, Mr. Fred Brening for his help as a special officer at fires and accidents, and also Mr. Elliott Allison who watches our children morning and afternoon at the school crossings. The department would like to give thanks to the Firemen of Dublin and its Chief, Michael Worcester, the Cheshire County Sheriff's Office, the New Hampshire Department of Safety, and for the support of our Selectmen of Dublin.

Respectfully submitted,

Robert N. McLean  
Chief of Police

## *REPORT OF THE DUBLIN FIRE DEPARTMENT, 1969*

The Dublin Fire Dept. enjoyed a relatively quiet year compared with 1968 experiences. However, there were 34 times that we were called upon for various emergencies.

Through Mutual Aid:	
Stand by at neighboring stations	2
Fight fire out of Town	2
In Dublin:	
Assist police	4
Stand by car accident	2
Stand by at station (elec. out)	3
Barn fires	2
False alarm (by automatic system)	4
Oil burner fires	2
Gas water heater	1
Car fires	3
Brush fires	3
Dump fires	3
Fireworks stand-by	1
Smell of smoke in building	2

Also, there were sixteen oil burner permits issued.

The two barn fires were both at the same location; arson is listed as the cause. The State Fire Marshall's Office, police and Fire Dept. could never locate the guilty party. However, there is still a threat to our community. Last year we lost a cottage at Dublin Lake under the same circumstances.

Many training sessions were held during fair weather. We are fortunate to have such a group of reliable firemen in a small town.

The International Pumper was used at the Meadowood Drill Yard in Fitzwilliam at its training session last summer. This school was attended by several of our men. We have eight men signed up for the 1970 school.

The first maintainence of the year was on our fire siren on the roof of the fire station. During January the motor burned out, requiring its removal from the roof and complete rebuilding at an electric motor shop. New tires were installed on the International Tanker.

All special equipment was purchased and installed on trucks. Brackets and hangers for the new coats and boots were made by the firemen during spare evenings. Equipment of the five trucks has been rearranged to facilitate its use in an emergency. The attack lines on the two front line trucks have been changed from 1½ inch hose with threaded couplings to modern 2 inch hose with quarter turn couplings. This arrangement has changed hose laying and pick-up time by 70%. The changing of these lines required considerable plumbing changes to update our 1949 Ford pumper. Except for a little expert help from our local plumber, the labor was done by the firemen. All trucks were thoroughly cleaned, and running boards, steps and bumpers painted.

The Fire Company drive for fire extinguishers has resulted in the sale of 150 units. We're still selling these extinguishers at 1969 prices.

I was especially proud of our station during the holiday season. We have received many compliments on the tree and decorations. This work was done by the Fire Company, and will continue in future years.

The Fire Hole Special appropriation was used to purchase three additional hydrants. Repairs to the dry line from the bottom of Church St. to the rear of the Town Hall were also made. During 1970 the three hydrants will be installed at the Davis pond on Valley Road, Dublin Lake, and Hammond's Pond on the Upper Jaffrey Road.

My Thanks to the men of the Dublin Fire Co. for their support and willingness to provide fellow citizens with an efficient fire department. Also, I would like to thank the taxpayers for providing us with additional funds to equip our department properly, which has now been done. I am in hopes that the regular fire appropriation can be increased by 15 percent. This will enable us to maintain our present level of maintainence of equipment, replacement of equipment, and operation of department at its present level. This is necessary due to the increase in the cost of living which affects all of us.

Respectfully submitted,

Michael M. Worcester  
Dublin Fire Chief

## *REPORT OF HIGHWAY DEPARTMENT*

### Summer Highway Maintenance

The dirt roads were scraped and maintained several times, culverts and turnouts cleaned, leaves removed. Brush was cut on Lake Rd, Old Harrisville Rd, Upper Jaffrey Rd, Dooe Rd, Monument Rd, East Harrisville Rd, also corners where needed; brush burned or carted to dump.

Gravelled Old Marlboro Rd, Parsons Rd, Pierce Rd, Page Rd, Cobb Meadow Rd, Old County Rd, Old Troy Rd, Cook Rd, Windmill Hill. Filled washouts on several roads. Picked up rubbish on roadsides, carted to dump.

Repaired library fence; tarred roof to Town Shed.

Removed beaver damage from culverts on Monument Rd, Golf Club, Old Troy Rd, Gerry Rd, Niemela Brook. Mr. Warren also assisted in clearing trees and limbs from culverts.

All tar roads tar patched where needed, holes filled etc. Due to a strike by tar companies could not get tar until too late to do tarring of roads which will have to be done another year.

### Winter Maintenance

This expenditure covers installation and removal of snow fence, purchase of new snow fence which was badly needed, plowing roads and sidewalks, sanding and salting, general care of equipment. Removing fallen trees and limbs caused by ice storms. This winter was an exceptionally severe one, therefore necessitating longer working hours for men and equipment, with some breakdowns which was unavoidable.

### Town Road Aid

These funds were expended on extension of road of last year from Route 137 to corner Page Rd and Windmill Hill. Trees were cut, wood removed, brush burned, road widened, culverts installed, road gravelled and tarred. Road will need seal coating in spring as too late to complete last fall. Markers will also need to be installed.

### Town Dump

The dump was burned over frequently and brush also burned in upper dump, rubbish cleaned up and dump pushed back at intervals, and covered with sand.

### New Construction

Repaired rails on Goldmine Road bridge, painted same. New culverts installed on Monument Road, Old Learned Road. Upper Jaffrey Road dug up and relaid culvert. Snow Hill dug up old cement culvert and replaced with galvanized culvert. Old Learned Road, filled washouts, cleaned ditches, removed stones and stumps from roadside. Gravelled road.

### Signs

Replaced several signs, straightened posts, installed several new signs as requested on Bonds Corner road.

Note:

As many already know I am retiring this year as Highway Agent, and I would like to take this opportunity to thank the Towns People for their support and cooperation these past years, with the hope that the next Highway Agent will receive the same support. Again many thanks to all and to the men who have worked with me.

Respectfully submitted

E. Bertell Pierce

Highway Agent

#### *REPORT OF SUPERINTENDENT OF THE CEMETERY*

As of May 1, 1969 Glen Scribner resigned as Superintendent after several years of faithful service. The Selectman and townspeople were very sorry as he is greatly missed. After a fruitless search to fill his shoes, I agreed to take the Superintendency on a temporary basis, if Mr. Scribner would consent to be my advisor. He was very willing and without his assistance it would have been a very difficult job. I am very grateful to him.

I would like to thank the other people who made the job easier. Bert Pierce and his men, especially Henry Knight who helped with the spring clean-up; The Boy Scouts for their help on Memorial Day; Russell Chase, Tom Fox, and Dave Woodward who were the people responsible for keeping the grounds in shape during the summer and fall.

If anyone is interested in being Superintendent or working on the grounds this coming summer, especially high school boys, please contact me or the Selectmen.

In 1970 I would like to look into the possibility of having a master plan or map made of all cemetery lots to be kept in duplicate. If this turns out to be practical and not too costly, it would simplify the system and it would be relatively easy for the Superintendent to keep the records up to date. Also, if our records were ever lost for any reason, it would not be a great catastrophe. Anyone who has any ideas or would like to help with this please contact me.

There were 9 burials this year and 5 lots were sold.

Thanks to the wise investments made by the Trustees of the Trust Funds of the Perpetual Care money, the cemetery realized \$1,139.54 in interest.

Many people, particularly non-residents, comment on what a beautiful cemetery location Dublin has. I know it is very easy for us to take the natural beauty of Dublin for granted, so I would like to invite everyone to take a few minutes occasionally to visit your cemetery and appreciate the beauty. Incidentally, while you are there, pick out a lot if you think you might need one sometime.

Allan J. Fox

Supt. of Cemetery

\$14,775 00    \$1,139 59    \$1,139 59

A bequest to the Town of Dublin has been received from the estate of Belle F. Gowing. Her gift is to be known as the Clarence and Edith Mason Fund.

It seems appropriate that Mrs. Gowing, who gave so much to Dublin during her life has continued her generosity by creating a permanent charitable trust with an original principal of \$10,000.00.

## REPORT OF THE PLANNING BOARD

The Planning Board received quite a bit of activity from property owners registering their subdivision intentions this past year, especially since the new state laws have made subdivision permits mandatory prior to title clearance.

We wish to caution our townspeople of the heavy penalties being applied by the State for failure to register their subdivision both with the Town Planning Board and the Water Supply and Pollution Control Commission in Concord.

## SMITH, BATCHELDER & RUGG CERTIFIED PUBLIC ACCOUNTANTS

February 4, 1970

Board of Selectmen  
Dublin, New Hampshire

Gentlemen:

We have examined the balance sheet of the Town of Dublin, New Hampshire as of December 31, 1969 and the related statements of revenues and appropriations and expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstance.

## SCOPE OF THE EXAMINATION

Explanatory comments on the major balance sheet items follow.

*Cash on hand and in bank-treasurer* — \$68,830.61. Cash in bank was reconciled with the treasurer's books and the balance

per bank statement was confirmed by corresponding directly with the depository.

*Taxes receivable* — \$18,376.00. The uncollected taxes agreed with the collector's detailed listing. Approximately 98% of the outstanding property taxes were verified by corresponding directly with the taxpayers.

*Capital reserve fund* — \$12,848.60. Interest received amounted to \$523.69. This fund is in the custody of the Trustees of Trust Funds.

*Due to school department* — \$75,883.98. The balance due to the school department was computed as follows:

Owed to school department—Dec. 31, 1968	\$73,867 27
Appropriated 1969	172,543 98

	<hr/>
	\$246,411 25
Paid to school district treasurer—1969	170,527 27
	<hr/>

Due to school department—Dec. 31, 1969	\$75,883.98
--	-------------

The loan from the Indian Head National Bank in connection with the construction of the fire station and the purchase of equipment was reduced from \$35,350.00 to \$31,420.00 during the year. The loan is payable at the rate of \$3,930.00 per year plus interest at 3% per annum.

*Excess of liabilities over assets* — \$19,190.36. This balance represents the net liabilities of the general fund as reflected by the books and as ascertained from other sources.

## REVENUES AND APPROPRIATIONS

The receipts as shown by the records were verified with the remitter insofar as practicable. The total receipts and disbursements as reflected in the Selectmen's books agreed with those recorded in the Treasurer's books. An inspection of vouchers and cancelled checks indicated that the disbursements were supported by invoices or other documents and were being properly recorded.

## TRUST FUNDS

The balance of cash on deposit in the checking account and in the various savings accounts was confined to us directly by the depositories. Securities on hand were inspected or accounted for by us. We verified the dividends and interest received during the year.

The income received during the year on common fund investments was distributed to the various funds included in the common fund on a proportionate basis. Disbursements were made to various beneficiaries of the trusts.

The town was paid \$1,279.15 as a reimbursement for wages paid on cemetery work for 1969.

## DUBLIN PUBLIC LIBRARY FUND

We inspected securities on hand and confirmed the balance in the various savings accounts by direct correspondence with the banks.

### INSURANCE COVERAGE AND SURETY BONDS

Jean B. Wenigman, Trustee of Trust Funds —term beginning March 12, 1969	\$12,000

In our opinion, the balance sheet of the Town of Dublin, New Hampshire, and the related statements of revenues and appropriations and expenditures present fairly the financial position of the Town as of December 31, 1969 and the results of its operations for the year then ended.

Very truly yours,  
Smith, Batchelder & Rugg

## LIBRARIAN'S REPORT

Renovations to the library basement and refurbishing the main floor with carpeting, new furniture and a charging desk unit, were completed in the spring. By a unanimous vote of the trustees the basement area has been named and a bronze plaque placed on the entrance wall inscribed as follows:

### Gowing Memorial Room 1968

The first program to be initiated in the room was held in late July under the indefatigable leadership of Mrs. James Mayo. It was a working exhibit of weaving where interested persons had the opportunity to try their hand at weaving with seven looms available and four highly trained teachers. Numerous exhibits adorned the walls to give a striking effect to this colorful room. As a result of this event fifteen children signed up for a weaving class held in November and December under the tutelage of Mrs. William Link and Mrs. Alexander James, Jr.

On exhibit in the Gowing Memorial room for the winter months is a self portrait of Alexander James and a sculpture by Michael James. The community is enriched by the courtesy and loan of this talented family.

Mr. Elliott Allison has given the library many photographic prints of early Dublin scenes and people. He has also allowed negatives to be made from singular prints he owns so that the library may have copies. These photographs were taken by the late Henry D. Allison, father of the donor, and author of *Dublin Days, Old and New*. An album of these prints is being compiled with notations by Mr. Allison. This is a precious and unique gift to add to the history of Dublin through Mr. Allison's thoughtfulness and generosity. It will be a "best seller" but will not be allowed to circulate outside the library.

By affiliation with the Library Development program these past five years our library has been State-Grant-In-Aid funded by one hundred dollars a year to build up its reference collection. Over sixty families with children in grades seven through twelve were sent mimeographed lists of these books owned by our library.

Early in the summer of 1970 the implementation of the State-wide Library card will go into effect. It will be issued only to responsible patrons with strict adherence to regulations. This means that Dublin patrons may borrow free, books from any affiliated library within the State and the same token patrons from other towns may use our library.

Your librarian was chosen as a representative and attended the Waterville Conference held by the State Library Commission in October. Its purpose was to reevaluate the past five years and make recommendations for the future of this program. The District Advisory Councils have been asked to study carefully major questions as a result of this conference so that ideas can be incorporated in the State Library's budgetary request for the next biennium.

Librarian attended 6 Book Review meetings, 4 District Advisory Council meetings, a 2 hour weekly class for 10 weeks at Keene State College in Public Library Techniques.

We thank the following people for books and magazines and other gifts: Mr. and Mrs. Peter Carleton for hundreds of books not yet counted, Mr. Oscar Sewall, Mr. Edward Foote, Mrs. Edith Curtis, Mrs. James Ward, Mrs. Grenville Clark, Mrs. Jane Hawkins, Mrs. Robb Sagendorph, and Yankee, Inc.

Goals for the new year include building a basic record collection of the spoken word and music. The card catalog is bulging and the plan is to add a new cabinet for children in their area, freeing the present catalog for space.

The trustees and your librarian welcome suggestions for book selections, records, hours open, programs and exhibits.

### SOLID WASTE DISPOSAL

All towns were provided with extensive information on various methods of solid waste disposal. The MRA has kept in close touch with the current study on open pit incineration. The Phase I report has been sent to all towns. The Phase II report will be sent to the towns after its completion which is scheduled for April.

Testimony at public hearing conducted by Air Pollution Control Commission resulted in open dump burning deadlines being extended.

### PLANNING

Extensive planning information was distributed to all towns after the Regional Town Meeting attended by over 150 area officials.

### SNOWMOBILES

Executive Secretary appointed to Governor's snowmobile committee to study the potentials and problems of this growing sport.

### INSECT CONTROL

Results of a three-month study were presented at public hearing before Pesticides Control Board recommending eventual elimination of hydrocarbons except where essential in insect control, in agriculture, and/or health areas.

### EAST-WEST HIGHWAY

Executive Secretary member of three-state committee to encourage development of southerly route for an East-West highway. Meetings included a session with John A. Volpe, Secretary of Transportation.

### AIR SERVICE

Attended a number of meetings with Northeast, Mohawk and Executive Airline officials striving to improve east-west air service as well as service to Boston and New York City. Have worked very closely with Captain John R. Sweeney, Director of the N. H. Aeronautics Commission.

### PACK MONADNOCK

Worked with Park Department to improve vistas at Miller State Park.

### MOUNT MONADNOCK

Executive Secretary on committee to preserve attractiveness of Mt. Monadnock. Office facilities being used during a study currently being conducted.

### PISGAH WILDERNESS STATE PARK

Working very closely with Park Department during progress of land acquisition in the Pisgah area.

*Informational Meeting* is scheduled for January 30 for all officials and interested parties to discuss present status and future plans.

#### 4-H

#### *REPORT OF 1969 DUBLIN CIVIL DEFENSE*

This year saw the completion of a number of projects for the Town of Dublin. As noted in Article 12 on last year's warrant, C. D. installed a 6 meter radio beam antenna on the Fire Station roof. This was completed earlier in the year and works reasonably well. I'm very pleased with this addition for it will tie in the C.D. 6 meter radio system with the Fire Department radio network in case of emergency.

A Mutual Aid call was placed to Peterborough during the search for two young people lost on the mountain last spring. Peterborough loaned their portable warning siren for our use. We appreciate their cooperation.

After a number of years of malfunction, the air horn fire alarm—C.D. warning system on Gilman's garage is working again. A rebuilt solenoid valve and new air line piping did the trick. Many thanks to Larry Gilman for his assistance on this matter.

One man in our community constantly contributes his time to the C.D. system. Mr. Glen Scribner, Communications Officer for Dublin, carries out the RACES radio duties every Tuesday night. I greatly appreciate his time and interest and I know the Town does also.

I hope to continue to serve you in the year to come.

Respectfully,

Richard A. Hammond  
Director, Dublin C.D.

Selectmen  
Town of Dublin  
New Hampshire

Gentlemen:

The Dublin Community Foundation exists in order to receive gifts from persons interested in the citizens of the Town of Dublin and to give grants for projects that will benefit those citizens.

This year, the Foundation gave \$200 to the "Dollars for Scholars" campaign to help Catherine Bennett to go to a vocational training school in Nashua. Every year, the Foundation has supported any Dublin student who was selected by the Citizens Scholarship Committee in Peterborough for financial help through Dollars for Scholars and this year is no exception.

The Foundation also paid for all the planting and landscaping that was done by the Dublin Lake Nursery around the new Post Office. Three trees were planted to replace those that are dying along the Harrisville Road and many plants and shrubs were also planted. The cost was in excess of \$500.00.

Next year, the Foundation plans to change its By-laws to permit anyone to become a member who gives an annual contribution of \$5.00. In the beginning, voting membership was restricted to persons giving \$100.00 or more, in order to raise money. Now that the Foundation is better established, the Directors and Members are both in favor of broadening the support for the Foundation so that it can play a greater role in the life of the Town of Dublin.

Respectfully submitted,

C. R. Trowbridge

## ORDER NO. 296

Upon consideration of the foregoing report, which is made a part hereof, pursuant to RSA 270:12 as amended by Chapter 119, Laws of 1963: it is

ORDERED, that a speed restriction of ten [10] miles per hour be, and hereby is, placed upon the waters of Dublin Lake in the Town of Dublin and no power boat or outboard motor shall be operated at a rate of speed exceeding said ten [10] miles per hour provided, however, that this restriction shall not apply between the hours of 3:00 p. m. and 6:00 p.m. daily; and it is

FURTHER ORDERED, that the provisions of this order shall become effective September 2, 1969.

By order of the New Hampshire Department of Safety, Division of Safety Services this twelfth day of August, 1969.

Oneil A. Houde, Director

## SUPPLEMENTAL ORDER NO. 302

WHEREAS, Order No. 296, issued August 12, 1969, established a ten [10] mile per hour speed restriction for power boats and outboard motors operating in the waters of Dublin Lake except between the hours of 3:00 p.m. and 6:00 p.m. daily; and

WHEREAS, The Board of Selectmen of Dublin have subsequently requested a modification in said order to change the unrestricted hours from 3:00 p.m. to 6:00 p.m. to 4:00 p.m. to one-half hour after sunset daily; and

WHEREAS, the instant request appears to be consistent with the public interest and safety; it is

ORDERED, that a speed restriction of ten [10] miles per hour be, and hereby is, placed upon the waters of Dublin Lake in the Town of Dublin and no power boat or outboard motor shall be operated at a rate of speed exceeding said ten [10] miles per hour provided, however, that this restriction shall not apply between the hours of 4:00 p.m. and one-half hour after sunset daily; and it is

FURTHER ORDERED, that the provisions of this order shall become effective September 2, 1969; and it is

FURTHER ORDERED, that the provisions of Order No. 296, issued August 12, 1969, be, and hereby are, revoked.

By order of the New Hampshire Department of Safety, Division of Safety Services this twenty eighth day of August, 1969.
